Who could inform me about visa process? What should I do to get my residence permit?

Students coming from the countries, which are exempted from visa requirement to Turkey, do not have to apply to the Turkish Embassy/Consulates for any type of visa and may directly come to Turkey with their passports. Residence permit application will be made during the Orientation Program.

It is very important that you confirm your country's visa regime with Turkey via the Turkish Embassy or Consulates in your country. If you need a "student visa" to enter Turkey, please make sure that you apply for the student visa as soon as you receive your acceptance letter. Make travel arrangements accordingly, so that you will allow adequate time for your visa to be processed prior to your departure.

You are required to apply for a residence permit in person within a month of your arrival.

The residence permit is obtained from the Directorate General of Migration Management. Erasmus Coordination Office personnel will guide you when you apply for a residence permit during the orientation weeks.

Required documents for Residence Permit;

1. Passport.
2. Photocopy of the passport (ID page and Student Visa page).
3. Residence Permit Application Form.
4. Four ID photos (separately).
5. "Student Personal Information Form," obtained from Office of Exchange Programs.
6. Health Insurance contract
7. Dormitory certificate
8. Application fee: 20 USD or 30 Euros.

Please note that students must apply to Directorate General of Migration Management for the extension of their residence permit within the 15 days after the expiration date, otherwise penalty fee will be charged.

You can get information about visa process from Turkish Consulate that is located in their home countries.

Necessary documents for residence permit are stated by following links:

What kind of health insurance should I get?

Erasmus students should get a general health insurance from their own country. An ordinary travel insurance will be not accepted by the foreigners department. However, the insurance policy has to be in English and there must be stated explicitly an article which guarantee " inpatient and outpatient treatment abroad". Incoming students can also get health insurance in Turkey. It costs around 600 TL (220-230 €) for one year.

How should I make my course selection?

Incoming students can make course selection with the aid of Selçuk University Erasmus coordinators.

When should I complete my second Learning Agreement?

Second Learning Agreement must be prepared within 1 month after your registration.

Can I make any changes after completed my Learning Agreement?

You can make changes on your Learning Agreement only during add and drop period (first week of official begin of the semester).

Can I prolong my Erasmus Program one more semester?

Incoming students must contact with their both coordinators about prolonging process. If both coordinators confirm their demand of prolong, they may stay one more semester. Please note that a prolongation is only possible from fall to spring semester.
