önemli bir geribildirim teşekkürler

00:00:00 Signal

The image shows a Zoom meeting interface. On the left, there is a grid of five video thumbnails. The top row contains three thumbnails: a man with short grey hair, a man with dark hair wearing a plaid shirt, and a woman with glasses and dark hair. The bottom row contains two thumbnails: a man with short dark hair and a woman with long dark hair. On the right side, there is a chat window. At the top of the chat window, it says "Set sticky message...". Below that, there are two messages. The first message is from "Ibrahim Dömez" and says "Manavgat da direkt yazı başlanacak galiba iş gelmeden :))". The second message is from "Fariz SARIYAYLA". At the bottom of the chat window, there is a text input field with the placeholder "Type your comment..." and a "Send to everyone..." button. To the left of the chat window, there is a vertical toolbar with icons for Settings, Attendees, Chat, Polls, Offers, Videos, Files, Slides, and Speak.
