

## GOOD CLINICAL PRACTICES COMMITMENT

### TO THE PRESIDENT OF NON-INVASIV CLINICAL RESEARCH EVALUATION COMMISSION

We undertake that we will comply with the rules of the World Medical Association (WMA) Declaration of HELSINKI and/or the World Psychiatric Association HAWAII Declaration of Good Clinical Practice throughout this research, and that we will immediately notify your Commission in writing in case of an unexpected adverse effect or event, when a change in the study protocol is required during the research, or when the research is stopped.
