WHAT IS CHEVENING?

Chevening is the UK government's global scholarship and fellowship programme. Funded by the UK's Foreign, Commonwealth and Development Office (FCDO) and partner organisations, it offers future leaders from across the world the opportunity to gain a master's degree at one of the UK's leading universities and embark on a tailored scholarship experience.

For 40 years, Chevening has been building a global network of 55,000 alumni who are creating positive change across the world. Joining Chevening means joining a global leadership network for life.

It doesn't matter where you come from, it's where you're going that counts.

Chevening offers two types of awards:

- **Chevening Scholarships:** awarded to talented individuals looking to study a fully funded master's degree at a leading UK university.
- **Chevening Fellowships:** awarded to mid-career professionals looking to study or undertake a research project or professional placement in the UK.

Successful candidates come from a diverse range of countries and backgrounds. What they all share is the passion, the vision, and the skills required to influence positive change in their home countries.
